2. FINANCIAL INCLUSION CAMPAIGN- HIMACHAL PRADESH:

PRADHAN MANTRI JAN DHAN YOJANA (PMJDY) :

Pradhan Mantri Jan-Dhan Yojana (PMJDY) as a National Mission on Financial Inclusion was implemented throughout the country on 28th August, 2014 to provide all households in the country with financial services with particular focus to empower the weaker sections of our society.

As of 06.02.2019, around 34.26 crore Jan Dhan Accounts (BSBDA) have been opened by banks (PSBs, RRBs & Private Banks) under PMJDY throughout the Country since launch of the campaign in a Mission Mode in August, 2014.

PMJDY is currently in its second phase of implementation, which entails expansion of banking outreach to hard-to-reach areas, and expansion of services accessible by PMJDY account holders, including overdraft facilities and micro insurance schemes. Since the Pradhan Mantri Jan Dhan Yojana was launched in 2014, the objective of universal access and coverage of banking services is widely achieved and now the focus has shifted to enable usage of banking services by the excluded section of our society.

The present status of PMJDY **as a whole in the country** is mentioned below for information of the House.

A general negative attitude is also found in the people not to invest or establish a project requiring heavy investments due to hilly area and lower connectivity.

In Himachal Pradesh, at present, 278 Aadhaar Enrolment & Updation Centres opened by Banks & Department of posts and these centres are in active status.

Issues:

- a) A few of the member banks have not opened the required number of centres as per extant directions of UIDAI / government of India. More over existing AECs centres are not non functional. We request all member banks to open the centres at the selected branches in a time bound manner.
- b) Banks had been advised to ensure achievement of target of 8 records per day by their each centre operational in the State within 31.12.2018. From January 2019, the Targets have been revised to 12 counts per centre per day. As per recent communication received from UIDAI on 13.02.2019, the targets from April, 2019 onwards have been revised to 8 enrolments/ Updations per day per branch. The Controlling Head of member banks are requested to monitor the progress of their centres to improve the progress.
- c) The State of Himachal Pradesh has already achieved 106.06% coverage in Aadhaar Enrolment, therefore, the condition of 8 Enrolments per day

per AEC does not look realistic and be removed/relaxed for the AECs in the State.

The representative from UIDAI may deliberate on the issue.

- State DBT Portal is live and integration with Bharat DBT Portal has been completed.
- Total **164** (72 Central Sponsored Schemes and **92** State Sponsored Scheme) have been on-boarded on Bharat DBT Portal and IT department is in-process of identifying the additional schemes in consultation with all State Government Departments

(C) Supreme Court Judgement : Use of Aadhaar for Opening Bank Accounts.

The main view points of "Aadhaar Judgement" delivered on 26.09.2018:

- i) There shall be no bar on Banks to perform Aadhaar based authentication using 'e-KYC authentication facility' for opening Bank Accounts wherein a client gives

declaration that he/she is desirous of receiving his/her entitled benefits or subsidies of welfare schemes funded from the Consolidated Fund of India in his/her Savings Account directly.

- ii) Banks cannot use Aadhaar 'e-KYC Authentication' where the client has not given declaration or the client is not beneficiary of the welfare scheme.
- iii) Banks are not barred or prohibited from accepting physical Aadhaar Card/E-Aadhaar Card/Masked Aadhaar Card/Offline Electronic Aadhaar .xml (if offered voluntarily by the client) for the purpose of opening Bank Accounts and verifying the authenticity through QR Code. It will qualify as Officially Valid Document for KYC purpose. However, as per Aadhaar Regulations, Banks must mask the first 8 digits of the Aadhaar Number while storing the physical copy of the Aadhaar Card or E-Aadhaar.
- iv) For the convenience of such non-DBT beneficiary clients, Banks are at liberty and encouraged to develop a fully electronic web/mobile application which can use the QR Code printed on Aadhaar Card/E-Aadhaar/Masked Aadhaar/Offline Electronic Aadhaar .xml (which contain UIDAI's Digitally signed KYC information in electronic form), **if offered voluntarily**, for paperless and hassle-free opening of Bank Accounts.

(D) Important Issues on DBT:

D.1) DBT credit, even if account is inactive.

In the high level meeting held on 04.08.2018 by DFS with top Management of Banks on Financial Inclusion, it was clarified that as per new master circular on KYC of RBI, in case Aadhaar is not available, small accounts can still be opened. It was further clarified that Banks have to follow RBI circular on DBT credit, even if account is inactive.

All banks are requested to comply with instructions of RBI in this regard.

D.2) DBT and Bankers Right of 'Set Off'.

Reserve Bank of India , Regional Office, Shimla has directed vide their letter date 11.7.2018 to place before the House the recent guidelines of IBA's decision on the issue of legal right of Set Off of Bankers in case of benefit or subsidy specially meant for relief measures extended by the sovereign (Central & State Government) for awareness of stake holders,

A communication in this regard issued by IBA vide SB /RBI/DBT/2017-18 3027 dated 21st June, 2017 inter-alia stated that Banks will consider forgoing their right to Set Off in specific instances where the relief assistance is linked to Natural calamities such as flood, cyclone, and earthquake etc and are as a onetime measure based on the notifications issued by Central/ State Government.

Member Banks are requested to note the above guidelines for meticulous compliance.

All the member Banks are requested to upload the details of covered farmers on the Crop Insurance Portal to avoid any slippage of insurance claim, if declared, and personal accountability of Branch Heads.

Issue No. 4. Connectivity Issue for uploading Farmer Detail on Crop Insurance Portal:

As reported by Member Banks and also substantiated in the above data table, there is a regular issue of Gap in the premium remitted and data uploaded on the portal by

the Banks. As deliberated in previous SLBC Meetings and suggestion received from the Member Banks the connectivity is the major reason for creation of Gap between Remittance of Premium and Uploading.

A need is felt to create a link to upload the farmer detail through excel/text file on the portal at one go which will mitigate the above problem.

The Agriculture and Horticulture Department Representatives, Insurance Company and concerned Banks may deliberate on the issue.

3.5 Issue regarding Mortgage of Immovable Property of any person belonging to scheduled Tribes in District Kinnaur – Himachal Pradesh. Permission for Mortgage of land and property situated in tribal areas in the State for availing credit assistance from banks and FIs:

In 136th and 137th SLBC quarterly review meetings, the above issue had been deliberated with a request to the State Government authorities to permit Banks for mortgage of immovable property belonging to the scheduled tribes in the State which at present is not been permitted as per provisions under Himachal Pradesh Transfer of Land (Regulation) Act 1968.

In District Kinnaur (Tribal district), Scheduled Banks cannot mortgage the immovable property of any person belonging to Scheduled Tribes, due to restriction imposed under section 3 (1) of Himachal Pradesh Transfer of Land (Regulation) Act 1968 on every person belonging to Scheduled Tribe from transferring his interest in any land by way of sale, mortgage, gift or otherwise to any person not belonging to such tribe except with the prior permission in writing of Deputy commissioner.

As a result of above provisions of the Act, Scheduled Banks are facing legal hurdle in extending credit facilities to the inhabitants of the tribal areas in hassle free manner. In addition, Banks are not entitled to initiate action under the SARFAESI ACT 2002 and therefore huge funds of Banks have struck up due to non recovery of bank dues from the defaulter borrowers.

Current Status: The matter referred by Govt. of Himachal Pradesh to Government of India for obtaining necessary approval in the matter.

House requests the representative from Tribal Development Department to apprise of the latest position in the matter.

(For bank-wise and District wise details, please refer to Table no- 12 at page no-88)

Observations:

- I) **Seven** districts namely **Bilaspur, Chamba, Hamirpur, Kangra, Lahaul & Spiti, Mandi and Una** have persistently critically low CDR below 40%. District Shimla has slightly low CD Ratio than the national parameter. The issue of low CD ratio in districts mentioned above needs immediate attention of DLCC for review the position of low CD ratio in **Special Sub Committee (SSC) of DLCC.** The SCC in each district is requested to hold the meeting under the chairmanship of District Administration to prepare Monitorable Action Plan (MAP) and monitor the progress at the short intervals to achieve sustainable growth in CDR in a phased manner.

LDMs may apprise the House on the status of holding of meeting of Special Sub Committee (SSC) on CDR in their district and the important observations made by the SSC for improvement in CD ratio.

- II) A sub-Committee on CD Ratio was formed as resolved in 149th SLBC Meeting. The first meeting of Sub-Committee on CDR was held on 28.02.2019 under the Chairmanship of Special Secretary Finance, Government of HP. During the meeting following suggestive points were evolved:
- As per Lead Bank Scheme, the District having CD Ratio below 40% must hold a special meeting of the CDR Sub-Committee. GM, RBI, Shimla, advised the Convenor Bank to ensure that these Meetings must be convened in every quarter and proceedings must be asked from LDMs to be placed in Steering Committee Meetings.
 - GM, RBI, advised Members of Steering Committee pay special thrust on Agriculture Advances. He further elaborated that the Term Lending under the Agriculture is too below.
 - The, DGM, NABARD, suggested for financing FPOs which will enhance the term lending under Agriculture Sector.
 - Data Reporting Mechanism also needs to be revisited for strengthening the CD Ratio.

- e. The Special Secretary, Finance, advised the House to pay special focus on implementation of Government Schemes which will ultimately assist in raising the CD Ratio.

III) Strategy and Action Points for improving CDR:

The coordinated efforts by the stakeholders may bring improvement in CD ratio in the State. Special drive is needed for large size credit proposals by Banks on one hand and a conducive environment for infrastructural growth and development on the other hand. Credit expansion by banks in the preferred sectors/ activities mentioned below may improve the position of CDR to great extent.

- i) Banks to focus on increased flow in agriculture sector preferably in allied activities especially in Dairy & Dairy Products, Poultry, Food processing units etc. in a big way.
- ii) Banks to ensure achievement of allocated targets fixed under the various governments sponsored scheme i.e. PMEGP, NULM, NRLM with special thrust on MSME sector including financing under MUDRA scheme and Standup India Scheme. Recently launched Mukhya Mantri Swablamban Yojana in MSME sector will facilitate improvement in CDR
- iii) Special thrust should be paid on bank lending to projects related to Tourism and Hydel Projects. State has big potential of small sized Hydel Power projects in Shimla, Kullu, Mandi and Chamba districts.
- iv) NABARD has recommended in State Focus paper 2018-19, certain **Area Development Schemes (ADS)** for various activities related to agriculture and allied activities wherein banks have to pay focused attention for credit expansion.
- v) Achieving the targets set under the Annual Credit Plan 2018-19 by all the Banks.

Government would be providing infrastructural support for creating conducive environment for smooth credit off take in the State.

The House may review the position.

As members are aware, that Pradhan Mantri Awas Yojana – Housing for all (Urban) (PMAY) has been launched on all India basis w.e.f. 17.6.2016 and is operational in all the statutory towns and planning areas as notified with respect to the statutory town and planning and which surround the concerned municipal area.

The Mission is being implemented during 2015-2022 and provides central assistance to Urban Local Bodies (ULBs) and other implementing agencies through States/UTs for:

1. In-situ Rehabilitation of existing slum dwellers using land as a resource through private participation

2. Credit Linked Subsidy
3. Affordable Housing in Partnership
4. Subsidy for beneficiary-led individual house construction/enhancement

Credit linked subsidy component is being implemented as a Central Sector Scheme while other three components as Centrally Sponsored Scheme (CSS). Credit linked subsidy will be provided on home loans taken by eligible urban poor (EWS/LIG) for acquisition, construction of house.

The SLBC convener bank has uploaded the details of the PMAY Scheme in SLBC website www.slbchp.com. Member banks are requested to follow the same.

Banks have sanctioned total 31 proposals amounting to Rs. 195.38 lakhs upto the quarter ended December, 2018 in PMAY (URBAN). Most of the Banks have reported the Nil progress and only 6 (six) banks namely Allahabad Bank, Canara Bank, Punjab National Bank, UCO Bank, Himachal Pradesh Gramin Bank and HP State Co-operative Bank have reported progress.

Bank wise position mentioned in table no GSP-7 Page No.97. Major Banks like SBI, CBI, etc. have not reported any progress up to the quarter December, 2018 under the Scheme. There is scope to increase lending under the PMAY We request all member banks to ensure correct reporting for the review meetings to have a meaningful review of progress under the scheme.

6.7 “Mukhya Mantri Swavlamban Yojana” (MMSY)

Mukhya Mantri Swavalamban Yojana 2018 has been launched by Hon'ble Chief Minister of Himachal Pradesh to promote entrepreneurship amongst the bonafide Youth of Himachal Pradesh.

Under this scheme youth of Himachal Pradesh between the ages of 18 to 35 will be provided following benefits:

1. 25 percent capital subsidy on plant and machinery upto an investment of Rs. 40 lakh in industries. Subsidy will be 30 percent in case of women entrepreneurs.
2. Interest subsidy of 5 percent for three years for a loan upto Rs. 40 lakh.
3. Government land will be given at concessional lease rate of 1 percent..

Government of Himachal Pradesh, Department of Industries has issued notification vide no. Ind.A (F)2-1/2018 dated 26.05.2018 containing detailed guidelines on the scheme. The notification is also available on the website of Industries Department, Govt of Himachal Pradesh. (<http://www.emerginghimachal.hp.gov.in/>). Convenor Bank has already circulated the above mentioned notification to the Member Banks.

The eligible entrepreneurs will be financed by Banks in the State and proposals are being sponsored by the District Industries Centers to Banks in each district for credit linkages. Controlling Head of Member banks are requested to circulate the guidelines to their branches in the State and monitor the progress under the Scheme.

Convenor Bank were in receipt of **letter no. Fin-IF(B) 1-1/XX dated 15.01.2019** from Under Secretary (Finance) , to the Govt of HP along with enclosures received from the Additional Chief Secretary (Industries) to the Govt of HP regarding the Bank wise pending cases under Mukhya Mantri Swawlambhan Yojana. As per data received from Industries department in the captioned letter, 803 cases have been

sponsored to the different banks in HP. Out of these, Banks have sanctioned only 36 cases (4%) only and the disbursement amount is mere Rs 788.34 Lakhs. Some cases have been rejected by the Banks but 689 cases are still lying pending with them involving subsidy of Rs. 2956.76 lakhs.

State Government has already made budgetary provision of Rs. 80 crore for the current year and till now only Rs. 1.34 crore have been spent during the financial year 2019-19, which is quite dismissal.

As per feedback received by Industries department from their field offices, following problems are being faced by the beneficiaries:

1). Banks are demanding collaterals even for smaller loans which can otherwise be covered under CGTMSE.

2). Regional Rural Banks & Cooperative Banks of the State are not covered under CGTMSE listing, so this benefit is not extended to applicants.

The Bank wise list of pending cases is already been shared by Convenor bank with the Member Banks via email dated 23.01.2019 advising all the Banks to dispose off the pending cases in expedite manner.

Industries department is also been requested time and again via emails & telephones by the Convenor Bank to provide them with Branch wise list of Bank's pending cases, so that monitoring & disposing off of the pending cases can be done more effective manner but the branch wise list is still awaited from the department of industries.

The representative from Industries Department may deliberate on the Issue.

Observations:

- ◆ The **Non Performing Assets (NPAs) ratio of Banks in the State recorded at 5.87%** and in absolute term NPAs have reached to Rs 2901.47 crore in the quarter ended December, 2018. The NPAs of Banking sector in Himachal Pradesh have upsurged and additional NPAs amounting to Rs. 200.42 crores have been added over and above the NPAs in quarter ended September, 2018. The trend indicates that in last three quarters NPAs in the State have gone up.

Growing NPAs is a matter of serious concern. Banks have to pay focused attention on increasing the lending in the State to bring down the NPA ratio and further banks have to stimulate the recovery efforts to curve down the growing NPAs.

- ◆ In sector wise position of NPAs, **MSME sector has the highest NPA ratio of 9.75% (10.40% in September , 2018) and it has reduced slightly . In agriculture sector NPA Ratio reached to 6.72%** and growing NPAs in priority sector is a serious concern. House may deliberate on the action points to arrest the growth in NPAs.
- ◆ In agency-wise position of NPAs, Co-op Banks have the high level of NPAs of 11.77%. The JCCB and HPARBD have to strengthen the recovery drives to prevent further slippage in the NPAs .
- ◆ Banks have lodged cases for recovery under H P Public Money Recovery Act 2000 for recovery of the Bank's dues through office of Recovery Tehsildar. As of quarter ended December,2018 total 9107 cases are pending for disposal and overdues worth Rs,255.28 crore is struck up in pending cases.

As the age-wise pendency indicates that 7734 cases amounting to Rs. 230.22 Crore are pending with Recovery Tehsildars for more than one year. Coordinated efforts by banks and State Recovery Authorities under the State Recovery Acts will improve the position.

We request that position on pending cases should be reviewed by appropriate State Government authorities at State level at regular interval to draw strategies and action plan for improvement in disposal of pending cases.

The House may review the position.

Farmers coverage under KCC as of December, 2018:

In Himachal Pradesh there are total 9,45,892 farmers as reported by LDMs. As of 31.12.2018, banks have covered total 431157 farmers under KCC Scheme in Himachal Pradesh and thus the **average farmers' coverage under KCC Scheme reached to 46% in the State.**

In district **Bilaspur (36%), Chamba (25%), Kangra (28%), KULLU (41%) and Mandi (37%)**, the average farmer coverage is far **below the State average coverage under KCC.** Low coverage of Farmers in these district is matter of serious debate and matter needs to be deliberated at District level Review meeting of DLCC under the Chairmanship of Deputy Commissioner so that action points/ strategies can be chalked out for improvement in farmer coverage under the KCC scheme. **LDMs are requested to keep the issue of farmers' coverage under KCC as a standing agenda for the deliberation in DCC meeting.**
